### Product Benefits & Features

#### Powerful dishwashing. With SatelliteClean®

Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

- Capacity: 9 place settings
- Sensorlogic
- 4 temperature settings
- 7 programmes including:
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Floor beam to update you on wash status
- End of programme audible alarm

#### Effortless cycle-setting with QuickSelect

QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

#### At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

#### Open-door drying with AirDry

AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

#### Water reaches every corner. With the Dual Spray Arms

Ensure maximum water coverage with two spray arms. The rotating sprinklers send water jets into every corner of both the lower and upper basket, for dishwashing results you can rely on.
