

Open the door to dry dishes

Advanced AirDry technology maximises drying performance using natural airflow. The door automatically opens 10cm in the final stage of the cycle, drying dishes naturally and effectively. AirDry performs three times better than closed-door systems.

Product Benefits & Features

Open-door drying with AirDry

AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour programme.

- Built in
- A class cleaning performance
- A class drying performance
- Symbols indicating progress
- Delay start
