

Gentle drying at half the temperature. No compromise on results.
 The 7000 SensiDry® Tumble Dryer uses heat pump technology. It dries clothes evenly, at low temperatures, without extending the drying time. Gentle drying ensures items are never subjected to unnecessary heat, so your clothes last longer.

Product Benefits & Features

MIXDRY. NO SORTING. NO EFFORT. DRY COTTONS WITH SYNTHETICS

MixDry effortlessly and thoroughly gets synthetic and cotton garments evenly dried without overdrying or underdrying. No sorting needed. The heat-pump technology ensures items get the exact amount of heat, keeping energy consumption low.

Precisedry. saves time and energy. protects your clothes

The advanced humidity sensors of ProSense+ help save time and energy. They proportionally adjust the time and energy usage based on the load size. Providing the right care to every load, so clothes look and feel their best for longer.

*Tested with load of mixed cotton and synthetics up to 5kg.

The convenient to clean and energy efficient, EasyClean filter

The EasyClean Filter is an efficient single filter that can be conveniently cleaned. It helps save energy by maintaining stable energy consumption for the lifetime of the product.

Anticrease evenly dries your clothes, helping to reduce wrinkles

The Anticrease technology of our tumble dryer allows the drum to rotate in two directions, which helps clothes dry more evenly, and reduces creases and wrinkles.

The full reversible door offers four practical handle options

The Full Reversible Door lets you choose between four different door handle placement options. So, whether you stack your appliances on top of each other, or place them side by side, you can open the door in the direction that is best for you.

- Heat pump technology achieves unprecedented energy efficiency
- Internal light for optimal visibility in the tumble dryer
- Reverse tumble action loosens the clothes and prevents tangling and creasing
- AutoOff with no stand-by energy consumption
- Sensor drying
- Additional time controlled drying programs
- Panel with text in English

Product Specification

Energy Rating	A+++	Optional Accessories	Direct drain hose, Stacking kit
Drying Capacity (kg)	9.0	Product Number (PNC)	All Partners
Dryer Type	Heat pump	Wheels/Feet	4 adjustable feet
Program List	Mixdry, Eco, Cottons, Synthetics, Delicates, Wool Silver, Bedlinen XI Ita, SportWear, Duvet, Denim, Easy Iron, Refresh	Total Electricity Loading (W)	550
Push Button Functions	On/Off, Start/Pause, Dryness, Time Dry, +Anti Crease, End Signal, Finish In	Interior Light	Yes
Reverse Tumbling	Yes	Plug or Hardwired	Uk Moulded Plug
Dimensions (mm) (HxWxD)	850x596x636		
Condensation Efficiency Rating	A		
Noise (dB)	64		
Cord Length (m)	1.45		
Drum Volume (L)	116		
Annual Energy Consumption (kWh)	193		
Drum Material	Stainless steel		
Max Depth (mm)	657		
Voltage (V)	230-240		
Required Fuse (A)	13		
Frequency (Hz)	50		
Motor System	Asynchronous		
Door Hinge Position	Right reversible by user		
Included Accessories	None
