WASTE AND OVERFLOW

WELL DONE

After Installation

Allow any silicone used around the bath & waste fitting to dry for 24 hours before running water to check for leaks

Care & Cleaning

- Use a soft cloth or sponge for cleaning. Do not use any scouring pads like pot cleaners etc.as this will dull the surface.
- Use mild soap and water for everyday use.
- Do not use any abrasive cleaning materials.
- Do not use any disinfectants.aerosol cleaners,ammonia concentrates etc.
- Every few months give your bath a light polish with acrylic polish to restore the original sheen.
